

WELCOME TO THE STOCKMANS PROPHET RED ANGUS BULL SALE

The Fischer Family
Robin, Heather, Danielle & Jake

The Trent Abraham Family
Trent, Kelli, Josie & Tate

The Derek Abraham Family
Derek, Carmen, Laura & Tanner

Welcome! We are excited about this year's Stockmans Prophet Bull Sale! First we have to look back and thank everyone for such a successful first Stockmans Prophet in 2006. It was a pleasure getting to know many of you and reacquainting us with others.

We are pleased to be able to welcome Abraham Land and Cattle consisting of Derek, Carmen, Laura, Tanner, Barrie and Eileen Abraham as partners in this great sale.

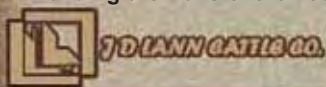

The last year held its challenges and successes for all of us in the cattle business. Looking forward we anticipate good things coming in 2007.

This year's group is an exciting offering with yearlings, long yearlings and two year olds that exhibit the traits we all strive for and desire in good cattle - calving ease, sound feet and legs, well muscled with growth and carcass traits that the industry and the consumers are demanding. The long yearling group from ALC is a welcome addition providing another purchasing option for those requiring a little more age and size on their herdsire purchase. The bulls provided through this sale are calving ease heifer bulls, moderate bulls for younger cows and performance bulls for your mature cowherd.

We do appreciate your interest and if there is anything we can do or questions we can answer, please pick up the phone or drop us a line.

Best Regards

The Stockmans Prophet Group
